

Ground Rules

Due to time limitations please adhere to the following:

1. There will be NO extensions honored during this meeting.
2. Please respect the speaker and do not speak while he/she is speaking—NO SIDE BAR CONVERSATIONS.
3. Please ask one question and be mindful of others who want to speak.
4. Please do not make a statement, ask a question.
5. Speakers, if you have material to distribute, hand it out before you are called to begin your presentation.
6. Those who still have questions at the end of the time, should write them down and make arrangements to communicate with the speaker later or by phone or email.
7. Members of the public are always welcome to attend RNCC meetings; however, such guests will not be recognized to ask questions or make comments during the meeting. Due to time constraints, only official RNCC representatives, representatives of a reporting agency or department and invited guests may speak. Visitors not on the published agenda may only speak if they have made such arrangements in advance.
8. The RNCC is a legal 501 (c) 3 non-profit organization and as such it is not lawful for us as a body, or for our members representing the body, to discuss at our meetings, or support or oppose candidates for elected office. We can, however, support or oppose causes and measures and on occasion may vote whether or not to endorse such a cause or measure.

We appreciate your cooperation and support.
